## Calvin's Corner:

**“Whatever  
you do in  
word or  
deed, do  
all in the  
name of  
the Lord  
Jesus,  
giving  
thanks  
through  
Him to  
God the  
Father.**

**Colossians 3:17  
NASB**

Churches of Concord Baptist Association, you are awesome. Without hesitation or debate, you have responded to your neighbors in their time of need. The outflow of volunteers following the tornados in Eldon and Jefferson City is a prime example. Members of Concord Baptist Association churches joined community and state disaster teams to cut downed trees, clean up debris and minister to the many who had damage. Everyone was involved but a few churches deserve a special thank you. Thanks to Memorial Baptist for hosting the Missouri Baptist Disaster Relief efforts. Thank you to Russellville Baptist Church for becoming the care center for displaced families in Jefferson City and Eldon. Another example of selfless acts of ministry came from Freshwater Church. They could not meet the Sunday after the tornado because of debris blocking access to their building. So, a large group from the church went to Eldon to help residents with clean up. Another example is Joshua House that gathered baby supplies and clothing, which they are giving to those with that need.

The tornado is not the only challenge we face. Flooding is also affecting many. Lupus Baptist Church has been flooded but volunteers from Main Street Baptist and other friends from the area helped them move their pews, instruments and other furniture in order to keep them dry. They will need help to clean up and sanitize once the waters recede, and I'm sure you will be there to help. Many more examples of your acts of service could be mentioned, so forgive me if I did not include something your church has done.

Good job to all but let us think of lessons learned from the past weeks:

I believe God smiles when he sees His people helping one another.  
We work better and accomplish more when we work together.  
The community takes notice of the unselfish acts of love of the church.

Therefore:

We should work together at all times, not just in times of crises.  
We should always be looking for ways to minister to communities in which we live.  
We should express our love for one another as fellow churches by praying for each other, finding ways to cooperate with each other, and being there for each other in the good times and the bad.

Churches helping churches and ministering to the community is an example of the Great Command:

And he said to him, *"You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself. On these two commandments depend all the Law and the Prophets"* (Matt 22:37-40, ESV).

## Baptist Collegiate Ministry

Following the recent tornado I helped out by delivering food and personal items. One student whose apartment was destroyed came to my house and got some food and an air mattress that I never use. We are now in between 2nd semester & summer school but I hope to involve students, particularly football players, in the continuing recovery efforts when they return.

After I learned that Head Football Coach Steve Smith had resigned, I invited interim coach Hoskins to breakfast. We both agreed we want to provide for the spiritual and personal needs of coaches and players. He also wants to re-establish our morning, once-a-week coaches' Bible study.

I have had a chance for some impromptu Bible studies with a few students at a time. I also provided some resource material for a new Christian woman. A faculty member, that I have known for years has been searching and has asked me to meet with her when I return from vacation!

For the 2nd straight year the Lincoln University women's track team has won the NCAA Division 2 national championship! After talking to Head Coach Smith we plan to honor them with a dinner or some kind of fellowship this summer. This, of course, would be another mission opportunity for any of our churches. Give me a call if you would like to participate. Thank you for your continued prayers!

Your Missionary on Campus,  
David Phelps, BCM Director

**Open dates:** The week of June 30-July 6

**FROM MADELYN:**

I am so thankful to have the opportunity to work as an intern for Concord Baptist Association this summer. Working with several different churches over the last couple of weeks has been such a blessing. I had the opportunity to help prepare meals for the volunteers working with the Missouri Baptist Disaster Relief teams the week after the tornado hit Jefferson City and the surrounding areas. I was also able to help with a worship arts camp, and a VBS. I am excited and looking forward to see how God uses the rest of the summer!

**FROM JOSIAH:**

I have only been on the job for two weeks so far, but they have already been crazy busy weeks. The second week of June, I was at Concord Baptist Church, helping with their Lift camp, A performing arts camp they do every year. This year the name of the musical was "The Born Again Identity". It recounted the story of Nicodemus' encounter with Jesus. The next week I was at New Hope Baptist Church in Centertown, where I helped with recreation and their VBS. It has been a lot of fun so far, as well as a learning experience. I would like to thank the churches for allowing me to serve, and look forward to serving in any way the rest of the summer.
