DEAR CBA CHURCHES,

As the winter passes us by, I believe that we all are looking forward to spring: rain not snow; warmth not cold; sun and not gloom. While most of us have not seen a winter with as much snow, for a while, it is a joy to know that God has led us through. In the past few years our winters have been mild and we have adjusted. Adjustments many times take time. Change can come in subtle increments. Little by little we adjust to less snow, warmer winters, and then one day we see springtime as a norm for winter. But warm winters that we have adjusted to, is not spring. It doesn't take long to recognize that winter still is winter. Temperatures in the teens or lower and measurable snow impacts us when we just weren't ready. In many respects that is what Satan desires for us and our churches. He wants to lull us to sleep, manipulate us and try to hurt us.

Romans has a great answer to this Satanic attack. *Let love be genuine. Abhor what is evil; hold fast to what is good. Romans 12:9.* Satan's evil is nothing compared to God's deliverance. We cannot see a warm time in winter as a time to let our guards down to the fury of the bitterness of a freezing winter. The same is true in our spiritual life. We must abhor evil. We must hold fast to God and His goodness. We can do that when we love with a genuine love.

Thank you churches for staying awake and alert. Satan wants us to accept and adjust to the sins around us. He wants to manipulate us to see sin and think it's no big deal. We must stand together united in Jesus and His love. Thank you

churches for your genuine love. Thank you for abhorring evil and thank you for holding fast to God and His goodness!

May God bless you as we enter a time of spring where the things that seem dead are truly vibrant and alive. Thank you for honoring the Lord, your church, your community, nation and world as you seek to share the truths of Jesus.

In Christ,

Bro. Alan

Lincoln Collegiate Ministry

Our Lincoln University students enjoyed the MB Collegiate Winter Conference over Super Bowl weekend. From worshipping with many other state-wide students, to sitting under challenging teaching and attending leadership breakouts, the two-day conference is always a highlight filled with fun and growing memories. We also spent one evening together last week cheering on our Men's BB team as they pursue playoffs this spring.

Please be praying for our Dating & Relationship series going on currently as we host various Single and Married Panel discussions and how to date with purity and intention. We also are taking a group of 12 students to serve with a partnering church and after-school ministry in NYC from March 8 - 15th. We strongly value your prayers and partnership going before and around us as we courageously open our hearts and hands to serve and love as Jesus commands. We are still trusting God for continued provisions and scholarship opportunities for our missions this year and can be prayerfully donated at [BSU 2025 Mission Trips](#).

Pictured above: Some of the better known names are Tony Dungy, James Brown, Mike Singletary and Warrick Dunn, as they presented our Bart Starr Annual Character Award during our Super Bowl Breakfast outreach event.

Additionally, there were several great outreaches over Super Bowl weekend down in New Orleans. From an engaging panel on the importance of community, truth, and disciplines with Jesus, we enjoyed many worshipful moments prepared from 5 NFL players who shared their journey of success, failures and faith with several local inner city high schools. We also enjoyed another year of our Bart Starr Outreach Breakfast where Christ was lifted high at an NFL sanctioned event with various testimonies and the Gospel mightily shared by Ben Watson. The Holy Spirit pursued many hearts that weekend and please be praying for the 276 souls who professed and desired more information from local churches doing the follow ups. You can check out an edited version of the SBB at www.superbowlbreakfast.com

Grateful to serve with you,

Clint

EVANGELISM:

This article was submitted by Mike Quinn. Mike serves as the Staff Evangelist at Concord Baptist Church.

On January 3rd of this year Freeway Ministries was launched at Concord Baptist Church. Freeway Ministries focuses on three areas of ministry to do the work of the Great Commission: outreach, evangelism, and discipleship. Each area of ministry enables us to bridge the gap from the recovery community and the unchurched to the local church.

Our Outreach Ministry focuses on the physical and spiritual wellbeing of the community, we meet a person's physical needs so that they will be more receptive to focus on their spiritual needs. Last week we had our first clothing give away for women. Our outreach ministry takes place every Friday evening at 6:00 to 8:00. We serve a hot meal at 6:00 and start our evangelistic service at 6:30. We have had 10 people give their life to Jesus Christ since our start. Two of those have followed the Lord in baptism. God is so good!

Freeway is also big on discipleship. We want to equip believers with the Word of God so that they become faithful followers of Christ. Freeway is all about making disciples who make disciples.

We can use your help. The tendency is for you to read this article and think, that is a Concord Baptist thing. It is but it is bigger than Concord. We are concerned about Kingdom work. We want to invite every Concord Baptist Association Church to come and be involved with us.

You might be thinking how can I get involved? We have many ways for you to be involved. Our greatest need is for prayer support. If you would pray for this ministry, we would be grateful. Our biggest physical need is a house. Jefferson City Freeway will begin with a men's house and eventually have a women's house.

Freeway Houses provide a safe and supportive Christ-centered environment for men and women to develop their walk with the Lord. Those who are accepted into the houses will commit to a 12-month residential program. Our discipleship program is designed around the principles found in the Word of God. Sobriety is the first step in long-term success; we believe discipleship is the key to life-long change.

Each man is mentored through one-on-one discipleship and will complete our season classes before graduation. They are taught the foundation for living a God honoring life. Men are taught to be godly leaders in their homes and how to care for their families. They are taught the importance of restoring broken relationships with their children and family.

If you have a youth group or missions' group that would like to help with meal preparation let us know and we will get you plugged in. If you are outgoing and like to meet people you could come and be a greeter. We can use you. There are people who come through our doors that need a friendly face and warm embrace. We want them to know that not only are they welcome but they are wanted. We want them to know that God loves them we do too.

You might be thinking, that sounds like a great ministry, but I don't have an addiction problem, it is not for me. I want to challenge you with this thought, it might be that someone that is coming may need you!

If you want to know more about Freeway Ministries and how you might be involved, please contact me: email: mquinn@concordjc.org or (573) 893-2876.

God Bless,

Mike Quinn

BOOK REVIEW

This book review was submitted by Sarah Kennedy. Sarah is a member of Mt. Olive Baptist Church.

KEEP THE FAITH

How to Stand Strong in a World Turned Upside Down

By Dr. David Jeremiah

Dr. David Jeremiah is founder of Turning Point Ministries and author of over fifty books. In *Keep The Faith*, he addresses the reality that every believer is going to go through periods in life where they struggle with maintaining a strong and vibrant faith. "We start out with dreams. Big dreams. Dreams of success and impact and meaning and purpose. We start the race with high hopes and smiling faces. Sooner or later though, life hits back. And life can hit hard," (Jeremiah 2024, p.vii). The first half of the book is devoted to exploring the four most common obstacles we deal with: fear, discouragement, worry, and doubts. Most often, when times are tough, it boils down to one or more of these issues. He explores each obstacle and gives sound strategies for recognizing each one.

In the second half of the book, Jeremiah explores God's provision of four key blessings. These blessings, grace, perseverance, responsibility, and fortitude, not only sustains through struggles but give the means to turn the obstacles and struggles we face into spiritual growth and strong faith.

Dr. Jeremiah's message is one of encouragement. No matter what specific circumstance is making you feel vulnerable and weak, this book points you to the path of stronger faith, wisdom, and God's love by changing your perspective. "Life is difficult and difficulty is the only path to wisdom," (Jeremiah 2024, p.174).

This book is the first book by Dr. Jeremiah I have read, but it definitely will not be the last. He made clear, sound points that were easy to follow and written to be understood by the average layman.
